How about going on an outreach, where you don't know what to expect?! You don't know the destination, are not allowed to take any money and are only allowed to take the clothes that you are wearing with you! Still interested? We will be sending you out as part of a team, as Jesus did with his disciples, without any possessions and with the task of preaching the gospel and healing the sick.

Here's what we can tell you in advance: During the outreach, you will travel to at least three European countries and will continuously have the opportunity to live and breathe what is written in the bible. You will grow in your ability to trust God; learn to cope with extremes and to pass on the gospel to people who are cultural strangers to you. You will be challenged and confronted with your limits – this camp will be your personal missions' crash course. Whoever is prepared to take on this mission will experience one of the best weeks of their lives! Apply now; there is only space for ten participants.
